

It's a Mystery! #3 Clue 3

Block 2:

1. Sew a $2\frac{7}{8}$ " triangle of Fabric 3 (Dark) to a $2\frac{7}{8}$ " triangle of Fabric 2 (Background). Fold back (carefully—it's bias!) and press to form a square. Square up to $2\frac{1}{2}$."

Repeat until you have:

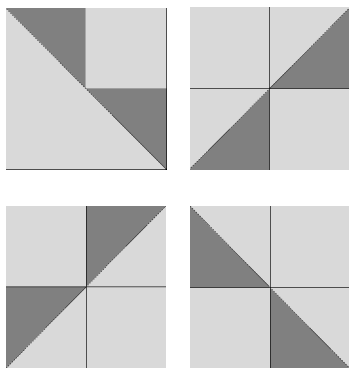

Double: 256

Queen: 400

Arrange these pieced squares with $2\frac{1}{2}$ " Background squares to form 4-patches. Square up to $4\frac{1}{2}$ "

Arrange four of these 4-patches to form Block 2; square up to $8\frac{1}{2}$ "

For the double quilt you will need: 32

For the queen quilt you will need: 50
